RE: SUPPORT IFO .ZULU TOP-LEVEL DOMAIN (TLD)

I am writing to you as the leader of the Zulu community to convey my support for the application of the Dot Zulu Project, Inc. to secure, create and operate the .ZULU top-level domain (TLD). It is my understanding that the Dot Zulu Project Inc. will be submitting an application to ICANN for the creation of this TLD.

We fully and exclusively support the application of the Dot Zulu Project Inc. in this effort. We believe the .ZULU TLD, as conceived and proposed by the Dot Zulu Project Inc. represents the best interests of the Zulu community and will be able to provide a viable structure for us as an evolving community.

We, therefore, would ask you to look favourably upon the application of Dot Zulu Project Inc for the .ZULU top-level domain for the benefit of our community.

WITH BEST REGARDS,
