

## NEUE BIOSKOP FILM

---

To The Internet Corporation for Assigned Names and Numbers:

"Neue Bioskop Film GmbH" urges ICANN to move forward with the "Expression of Interest" (EOI) proposal. Neue Bioskop Film GmbH is a Bavarian film production company and winner of the 2010 Bavarian Film Award ("Bayerischer Filmpreis").

We strongly believe in the potential of a top level domain for Bavaria (.bayern) and support the Bayern Connect GmbH in their initiative of establishing it. We see the EOI as an opportunity to speed up the application process and to soon enable a .bayern top level domain.

Sincerely,

Dietmar Güntsche  
CEO Neue Bioskop Film GmbH
