Accomplishments this period

Finalized and released solicitation for SG/C statements
Reviewed topics, and worked on information requirements and sources
Completed preliminary assignments of WG members to topics
Began reaching out to candidates for our "panel of experts"
Identified preliminary candidates for first-round issue topics

Plans for next period

Settle on first-round issue topics and launch subgroups
Figure out how to run subgroups so to remain transparent but not overwhelm the list
Begin developing "questions for experts" for each topic under discussion

Continue to identify which topics require expert participation, continue expert-recruiting tasks
Continue to review other ICANN activities and determine how to obtain relevant information

Continue to review topics, determine information requirements, determine how to obtain information
