June 24						

Accomplishments this period

Selected co-chairs
Conducted initial meeting
Established leadership team
Discussed final charter issue (Objective 5)
Initiated WG issues-discussion
Initiated detailed task-planning
Requested clarification of Board resolution
Initiated status-reporting

Plans for next period

Launch public comments and constituency-statements
Resolve scope, timing and deliverable questions
Complete charter discussion (Objective 5)
Continue WG issues discussion

Issues and concerns

Target Dates -- Timing of input for DAG-4 is sooner than the PDP process will support
Scope -- scope may need to be tailored to fit within the deadlines of DAG revision
Scope -- possibility of splitting work into short-term (PDP) and long-term efforts
Estimate -- answers to these date and scope questions will help with final estimates
