Permitted assignment in ICANN Registry Agreement (Article 7.5(f)(iii)): suggested amendment

Registry Operator may assign this Agreement without the consent of ICANN directly to a wholly-owned subsidiary of Registry Operator, or, if Registry Operator is a wholly-owned subsidiary, to its direct parent or to another wholly-owned subsidiary of its direct parent, or, if Registry Operator is controlled directly or indirectly by one or more other person or entity (including a combination of persons or entities), to another entity which is controlled directly or indirectly by the same person or entity, or persons or entities, as Registry Operator, upon such subsidiary's or parent's or other entity's, as applicable, express assumption of the terms and conditions of this Agreement ("controlled by" having the same meaning as under Article 2.9(c))
