19.01.2010

DEAR ICANN,

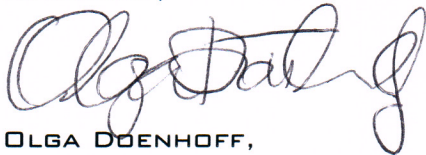

OLGA DESIGN SUPPORTS THE EOI PROPOSED BY ICANN AND WE THANK ICANN FOR THE OPPORTUNITY TO COMMENT.

HOWEVER, I DO NOT UNDERSTAND WHY THE INTRODUCTION OF NEW TOP LEVEL DOMAINS IS STILL IN PROCESS. SO MANY THINGS HAVE BEEN DISCUSSED. EVERYBODY KNOWS ABOUT THE PROBLEMS THAT MAY OCCUR. NEVERTHELESS, AS A BUSINESS OWNER, INTERNET USER AND A MOTHER, I THINK THE ADVANTAGES OUTWEIGH THE DISADVANTAGES BY FAR. IT WILL BRING MORE BENEFITS TO THE INTERNET AS IT WILL MAKE THE INTERNET MORE INTUITIVE.

.COM, .NET OR .ORG DOES NOT MAKE SENSE TO ME. IF WE WOULD HAVE A .DESIGN, .ART OR .GAME IT WOULD HELP GENERAL USAGE.

I AM NOT INVOLVED WITH ICANN THAT MUCH BUT I DO UNDERSTAND WHY THE EOI WOULD HELP TO BRING THE PROCESS FORWARD. WE WANT NEW TOP LEVEL DOMAINS. PLEASE PROCEED WITH THE EOI.

SINCERELY,

OLGA DOENHOFF,

CEO  
OLGA DESIGN
